

"A fun, engaging hour. Kirtida taught us and showed us many Hindu practices."

"A very interactive and engaging course. The lady who trained us was fun and thorough, linking what she taught us to our own school curriculum - something which a lot of places do not offer."

Good morning Kirtida,

Thank you so much for the training you offered yesterday. I loved being a part of it and it was just a shame that I could not stay all afternoon. The trainees said that it was really enjoyable and informative.

Hello Kirtida

I hope that you are well and that you enjoyed a wonderful trip to India earlier this year.

I would like to invite you to visit the university, as in previous years. If you are available, I would be delighted if you would lead two sessions (1am-12pm & 1-3pm) on Monday 10th January . There would be approx 50 students in each class.

Let me know if this arrangement works for you and also the current cost of your visits.

Many thanks and with kind regards

Programme Leader,
X122 Primary Education
Faculty of Education and Society

Profoundest thanks for today. I've looked at the evaluation sheets and, as the atmosphere during the day suggested, satisfaction is almost universal...Oh yes: just about everyone said: we want more of this, please - so I suspect the Council will have to consider an RE conference an annual event from now on...I have already provided ...with information about how successful the day has been. Once again: profoundest thanks to you and all the effort you've put in today. Best wishes

Northumberland SACRE RE-conference
